HAPPINESS

Happiness is a heart reaching out to embrace all mankind as brothers and sisters.
It is kindness, seeing others as extensions of ourselves.
Happiness is evenmindedness through all the storms in life.
It is smiling with the heart and the eyes, not merely with the lips.
Happiness is love and reverance for all life.

Diane Collins

We would like to take this opportunity to thank all the students who donated pictures and volunteered time to help make this yearbook possible. Special thanks to Diane Collins.
